

**Policy Regarding Recruiting Program Speakers for Y's Men of Meriden
Confirmed on 11/3/2017**

We are eager for all members of the Y's Men of Meriden to consider potential speakers for future meetings, to enhance the diversity of our speaker subjects.

If you have a potential speaker who has agreed to present a program:

1. Please first clear it for acceptance by our speaker chairman Paul Scollan (203-238-7866 or prs19046@gmail.com)
2. Next have the speaker complete an online form by going to www.ysmenofmeriden.com, and then clicking on "Speaker Info". This page provides information the speaker needs (including directions, length of program, reserved parking, etc.), and also includes two links which the speaker should use to check out available dates and to submit a form about their talk. Until this completed form is received, the speaker will not be confirmed for a given date (this policy confirmed on 11/3/17 by Speaker Chairman Paul Scollan, Y's Men Chairman Mark Burwick, and Newsletter/website editor Peter Burch). Many thanks. We look forward to your help in finding interesting speakers for our meetings.
